

Stuff you might want to know.

Sage Grill's wine list is priced at retail. Just imagine, you can buy any bottle of wine from us at the basic established retail price or better, and our special licensing allows you to take it home. We charge only a \$5 corkage fee to enjoy the bottle here, except on Tuesdays, which is "no corkage night." For any bottle you bring into Sage Grill (not purchased here), there is a \$10 corkage fee. Sage Grill is already your neighborhood restaurant, now we want you to think of Sage Grill as your neighborhood wine store.

The wine list is constantly growing and changing. We try our best to offer the highest quality wines for the best value. In fact we generally taste over 30 wines a week to bring you the best value (we work really hard at our job). Our staff is primarily self-educated with a myriad of likes and dislikes. They taste wines on a regular basis, in fact we have weekly wine tastings with the staff, but should you feel the desire to share a taste with our staff that is fine with us.

Our wine by the glass selection changes weekly, so you, our guests can constantly try new wines. In addition we have 6 different wines (representing a tremendous value) that we offer for \$6 a glass.

We hope you enjoy your dining experience here at Sage Grill. It is always a pleasure to meet new friends.
